

MINI ROK ENGINE KIT
ALLOCATED BY DRAWING LOTS BY PROMOTER

RENTAL INSTRUCTIONS

For the Mini Rok category the Rok Cup Italia 2021 Championship races will be reserved (limited number) to a maximum of 34 drivers for each event and they will be held with engines provided and distributed by the Promoter.

ENGINE KIT RESERVATION

The engine kit must be reserved by filling in the form “engine kit rental form” and sending it by e-mail to info@vortex-rok.com. With the rental form, also the copy of payment must be sent.

The “engine kit rental form” is valid as pre-registration to the race. Thereafter, the actual registration to the race and the relative entry fee must be carried out according to the modalities indicated by the track.

DELIVERED MATERIAL

THE ENGINE KIT INCLUDES: engine, carburettor, exhaust and intake silencer.

- The engine and the relative parts will be identified with a serial number and seals. **IT'S FORBIDDEN TO BREAK THE SEALS.** (in the event it would be necessary to break the seals, the only person allowed to take such action is a Vortex technician who will decide with ACI SPORT marshals how to proceed).
- Every driver must have battery, battery support and wiring of property.
- It's forbidden to change and/or add any part/ component / engine set up/ carburetor/ engine part: all the parts **MUST BE** original, provided by OTK.

ENGINE KIT DELIVERY

Engine kit will be allocated to each driver by drawing lots at each race and the drawing lots will take place before the beginning of the official free practices in the presence of drivers/entrants.

The engine kit must be used starting from the official free practices.

Engine Kit drawing lots during the race

At the end of each race phase drivers might be requested, as per discretion of ACI marshals, to participate to a new engine kit drawing lots among the drivers, to allocate a new engine kit. The drawing lots might take place among all the present drivers and previously drawn kit, before the official free races.

ENGINE KIT RETURN

WHEN

The engine kit must be returned at the end of the race.

HOW

The engine kit must be returned to VORTEX staff in the same configuration as it has been delivered: complete, clean, with intact seals and with all the given parts.
