

# Leg 2 Race Report: Intense Action at Tony Rust Race Track

## Tony Rust Race Track Hosts Leg 2 of Karting Series

On April 11, 2024, the **Tony Rust Race Track** hosted Leg 2 of the Namibian Karting Rok Championship, with Windhoek Motor Club at the helm and sponsorship from Cema Racing and Jan Jonker Service Station.

### Kid Rok Class

#### Kristopher Koudelka's Dominant Performance

In the high-octane Kid Rok class, **#16 Kristopher Koudelka** was the undisputed champion, winning all three races with commanding performances. Koudelka's driving prowess was on full display, as he set the fastest lap time of 41.763 seconds at an average speed of 86.20 kph during Race 2.

#### Interesting Facts - Kid Rok

- Over the course of the three heats, Koudelka completed a total of 30 laps, covering a distance of approximately 32 kilometres at an average speed of 85.79 kph.
- His closest rival, **#36 JP Du Plooy**, finished second in each race, trailing Koudelka by an average of 4.140 seconds.

- Unfortunately, **#80 Francois Gouws** was unable to complete any of the races, facing technical difficulties that resulted in three DNS (Did Not Start) results.

### **JP Du Plooy's Consistent and getting better**

#36 JP Du Plooy consistently secured second place behind the indomitable Kristopher Koudelka, with his best performance during Heat 2 clocking a lap time of **42.343 seconds**.

## **Mini Rok Division**

### **Cecil Koorts' Dominance**

In the Mini Rok division, the spotlight was on Cecil Jr. Koorts, the reigning champion and a representative at the Super Finals in Italy in 2023. Koorts showcased his mastery of the track, winning all three races with dominant

performances.

Koorts set the fastest lap time of **40.292** seconds at an average speed of 89.35 kph during qualifying, and he maintained this blistering pace throughout the races. In total, Koorts completed 44 laps, covering a distance of approximately 44 kilometres at an average speed of 89.19 kph.

## Hermann Schouw's Consistent Second-Place Finishes

Behind Koorts, #15 Hermann Schouw clinched second place in all three races, finishing an average of 4.395 seconds behind the leader.

## Battle for Third Place

A fierce battle ensued for third place, with **#911 Toni Rust** and **#12 Joanne Kotze** both facing penalties during the heats. Ultimately, Rust secured the final podium

spot.

## Cema Racing's Successful Day

Cema Racing celebrated a successful day, claiming four of the top seven podium spots, a testament to their strong performance and strategic prowess. Photos captured by **Revival Media Agency** helped immortalise the thrilling race day, adding a visual narrative to the unfolding drama.

## Upcoming Race Details

The excitement continues with the next race scheduled for May 11, 2024, at the R&R Race Track in Swakopmund. This event promises more thrilling karting action under the auspices of the Walvisbay Motor Club. Participants and fans alike are eagerly anticipating another day of high-speed competition, where seasoned racers and emerging talents will showcase their skills on one of the most

challenging tracks.
