Official Announcement! OTK Kart Group and Lisheng Sports have reached a cooperation agreement, and Vortex will support China Karting Championship!

Lisheng Sports has officially announced a partnership with OTK Kart Group, the leader in the global karting industry!

Vortex, the engine division of the OTK Kart Group, founded in 1995, stands at the pinnacle of karting engine manufacturing, distinguished by its prestigious role as a supplier for CIK-FIA championships and its globally recognised ROK Cup single-brand championships. Vortex has established itself as a benchmark for excellence in motorsport engineering. In this cooperation, Vortex engines will serve as a crucial power support, joining forces with China Karting Championship, which is hosted by Lisheng Sports, to start the 2025 season together!

Vortex Engines has long been a trusted name in the Asia Pacific market. Through its strategic collaboration with Lisheng Sports, Vortex Engines is set to offer unparalleled support across China. Supported by its headquarters in Italy and its branch in Singapore, Vortex Engines is ready to deliver world-class quality, performance, and a comprehensive support network to karting competitors throughout China.

This partnership creates a clear pathway for aspiring young Chinese drivers to step onto the global stage, offering them access to world karting competitions through the ROK Global platform and the FIA Karting team.

Furthermore, Vortex Engines and Lisheng Sports, in collaboration with its parent company and subsidiary OTK Kart Asia, will provide highly trained staff and factory personnel for competitive events across China.

Lisheng Sports has been deeply involved in the field of racing for more than 20 years, and had committed to providing a high-level competitive platform for racing enthusiasts and developing racing culture. China Karting Championship, as a significant racing competition organized by Lisheng, has attracted numerous professional drivers from both China and abroad. Its influence in karting and racing continues to deepen, winning widespread praise. This cooperation with OTK Kart Group marks a significant upgrade in power engines for China Karting Championship.

"We are so pleased to have reached this cooperation with OTK Kart Group. The addition of Vortex engines will inject even stronger power into China Karting Championship. We believe that with the joint efforts of both, China Karting Championship will achieve more remarkable accomplishments!" says Xia Nan, Director and General Manager of Lisheng Sports.

"This collaboration highlights the strategic vision behind Vortex's continued growth, commitment and its dedication to fostering talent." says Jason Burns, Director of OTK Kart Asia.

Looking ahead, Lisheng Sports will work together with OTK Kart Group to kick off the China Karting Championship 2025 Season, creating a more professional competitive platform for more drivers and karting enthusiasts to experience the passion and charm of karting. Please stay tuned for China Karting Championship 2025 Season and witness every exciting moment together!
