With nearly 90 racers participating in Race #1 of the 2014 ROK CUP USA Race Series at Orlando Kart Center, the event was a huge success — Great racing and lots of fun! More engines are being shipped from Italy to meet demand for the next ROK CUP USA race in Homestead, May 24-25!

With a field of 30, ROK Shifter engines sold out before Race#1.

2013 ROK CUP USA Champs arrive to Race #1 in style!

Introducing the NEW "Micro ROK" spec class for beginning racers, ages 7-9!
